Paint Protection Pro Series Film by 3M

Everyday your vehicle's paintwork is tested; on the road, in car parks and exposed to harsh weather conditions. With Cleargard Paint Protection Pro Series Film by 3M, an exceptionally tough ultra-clear urethane film, you'll get protection to your vehicle's most vulnerable parts day-in, day-out. And the bonus? It's near invisible!

CLEARGARD. Unrivalled protection from almost anything the outside world can throw at it!

- Permanently protects your car's most vulnerable areas
- The only officially licenced paint protection film used in NASCAR, tough enough to protect vehicles going 300km/h!
- Highly trained certified installers ensure your new film is installed correctly for maximum visual appeal and unrivalled protection.

FOR PEACE OF MIND, choose Cleargard.
